February 2019

1. Purpose:

Throughout the years, the Catholic Schools and Academies within the Diocese of Brooklyn have maintained a steadfast dedication to educational excellence and Catholic culture rooted in faith, service, and personal responsibility. The Diocese of Brooklyn is committed to provide programs that enable all students to develop effective communication skills while striving for academic excellence.

The Diocese of Brooklyn is dedicated to the utilization of technology today to produce moral, innovative, and creative leaders for tomorrow.

Existing and emerging digital technologies present new opportunities and challenges for our Catholic School/Academy communities. The Acceptable Use Policy for Technology shall apply to all students, faculty, administrators, staff, and volunteers who are allowed access to school technology resources. Outside or personal uses may be governed by this policy as well, where applicable.

The Superintendent delegates to the principals the responsibility for implementing regulations and procedures for the appropriate use of technology and internet resources that follow these guidelines.

1. All persons will use technology in a courteous, appropriate, respectful, and ethical manner in accord with our Catholic faith.
2. Students will use school/academy owned technology for appropriate learning purposes under the supervision of the principal and classroom teacher.
3. Students, employees, and visitors will use school/academy technology in accordance with all policies and procedures of the Diocese of Brooklyn.

2. Scope of Use:

The technology vision for the Catholic schools and academies in the Diocese of Brooklyn is such that its use supports the Catholic Church's overall mission. We are aware that the digital world allows 24 hour access, anywhere, anytime. This policy applies to the use of technology inside school but may in certain instances apply to personal use outside of the school/academy. When personal outside use of a technology causes a disruption to teaching, harms or interferes in the rights of others in the school/academy community or otherwise violates all or part of this AUP, then these may be subject to disciplinary measures found within.

Parish Schools and Catholic Academies within the Diocese of Brooklyn are also required to implement the Diocesan Cyber-Bullying Policy published in the Administrative Manual. The goal is to educate students on how to avoid dangerous, inappropriate, or unlawful online behavior and protect them from being the victim of such behavior as well.
